Singapore - July 2019 - Hotel Fort Canning presents a curated selection of culinary and commemorative offerings in celebration of Singapore's 54th birthday. **Available throughout August at The Salon**, guests can partake of a spice-kissed **Singapura Chick'n Rice Set**, crafted in tribute to the beloved national dish. Amidst the gaiety, plan a relaxing retreat over the long weekend with **Fabulous Fifty-Four** stay package.

DINE

In the month of August, shake up your taste buds with a spiced-up rendition of one of Singapore's iconic heritage dish - chicken rice. Sink your teeth into The Salon's **Singapura Chick'n Rice Set (\$18++)**, available for lunch and dinner.

In place of the steamed and roasted versions is a generously-sized chicken drumstick amped up with our Chef's specially-concocted *rempah*, comprising a heady mix of aromatics like turmeric, lemon grass, ginger, chilli and coriander seeds - all of which can be found in the Spice Garden at Fort Canning Park.

The chicken is first slow-baked, then deep-fried to a deliciously golden crisp while retaining the meat's supremely tender and juicy texture. Pair each bite with a heap of our homemade chilli dip that is balanced with just the right amount of kick. Completing the meal is a serving of premium jasmine rice cooked in chicken stock, ginger, garlic and pandan leaves, while sides of tofu with minced chicken, seasonal greens and chicken soup cut through the richness of the dish.

In line with the nation's 54th birthday, revel in the month-long festivity with a duo of dining and wining privileges. Enjoy **54% savings** on your second order of the Singapura Chick'n Rice Set at

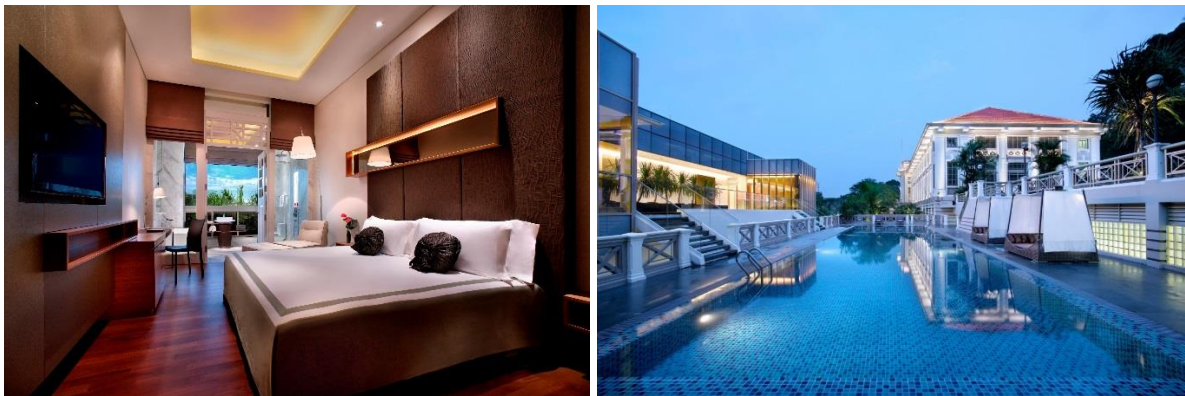

The Salon with selected credit cards and partners. That's not all - heighten the festive vibe with selected wines going at **\$54 for the first bottle and 54% savings on the second bottle** ordered at Tisettanta Lounge for all guests of the hotel.
